

Woodstown 4th of July Parade Participant Registration

Deadline for Registration is July 1, 2019

Parade THEME for judging: Grand Old Flag

We're currently planning the Woodstown 4th of July Parade and we need your help to make this year's parade another great success. You can help simply by participating, because a parade ain't a parade without floats, fire trucks, antique cars, cowboys, tractors, and kids on decorated bikes. (And in this case - a heap of red, white, and blue!)

WAVE THOSE AMERICAN FLAGS THIS YEAR!

Please Read Me

Welcome to parade registration. We are so happy that you've chosen to be a part of this great parade - the only 4th of July parade in Salem County - we look forward to having your entry in the line-up!

Below you'll find some really important information regarding the parade this year. Before proceeding with the registration stuff found at the end of this packet, please read all the information and share your new-found knowledge with everyone in your group. Seriously, it contains some important information.

All participants, regardless of past participation, must complete a registration form (weather online or using the form below). We can't guarantee spots in the line-up or make special promises to accommodate your group... please don't ask. Please ensure you are lined up in the correct location, on the correct side of the street. This could and will delay your group. If you have questions on what location after reading this, then please email us. To be covered under our insurance all participants must sign and complete the registration form for your group. We do not approve of any participants breaking any State laws. Participants will be held liable for any violations they accrue. The parade Committee and Board of Trustees will not be held responsible. This includes anyone driving a vehicle of any sort without a State Drivers License.

Please note that due to safety concerns, we are prohibiting horses from participating in the parade.

Judging and Awards

As in years past, there will be no formal judging stand or tent; rather, judges will circulate throughout the lineup before the parade gets underway. 1st, 2nd, and 3rd place will be awarded to groups who best represent the parade theme – **Grand Old Flag**

Judging will be based on the following criteria:

1. Creativity. *This includes but is not limited to the design, use of music, participants, props, etc.*
2. Existence of unified theme
3. Eye Catching
4. Originality
5. Effort in the design
6. Patriotic spirit.
7. If marketing a business's/Church please ensure that the marketing is age appropriate for all (no alcoholic, cigarette, etc. marketing)

8. All walkers if not associated with a float/act must locate to Location 5: Memorial Lake for staging.

All Parade Participants

All parade entries must be decorated. Music accompaniment to your entry is a plus and is encouraged (we define just about any form of noise as 'music'). You can have a vehicle entry or a walking entry (or combination), your choice. Make sure to keep it family friendly. The 4th of July Parade is celebrating American's birthday. Please note we **do not allow paper literature to be handed out or any sort of solicitation during the parade**. That means, no paper handouts, fliers etc. We do allow floats to pass out candy and ice pops. However, candy **cannot be thrown** from vehicles. If you would like to give candy out it must be done from members of your group **walking** along your floats or vehicles **after Allen Avenue**. This is to ensure spectators safety.

Photo/Video Permission

Participants acknowledge and agree that photos or video taken during the parade sponsored by and/or included in the Woodstown 4th of July parade may be used without further consent or compensation by the Woodstown 4th July Committee for promotional purposes. This includes, but is not limited to websites, Facebook, social networks, articles, and any other promotional or news materials regardless of format.

Parade Information

The parade starts at Millbrook and South Main and ends at Marlton Park. Total distance = 1.25 miles. All participants must be lined up **by 9:00 AM** at your staging area (these are listed below). Our parade begins promptly at 10:00 AM on South Main Street at East Millbrook facing town (north). To achieve this timely step-off, all participants must be lined up at their staging area. The parade usually lasts anywhere from 1½ to 2 hours depending on how many participants are in the parade. Starting at 9 AM South Main Street and Mill Street will be closed. If being dropped off for the parade, we recommend catching the bus at Marlton Park to be shuttled in. Carpooling with your group members is also a good idea. **We are a rain or shine event!**

Parking and Bus Information

We ask that all participants please park at Marlton Park (Grandview Entrance/Lot) and a shuttle bus will drop you off at Memorial Lake Park. Buses run continuous until the parade begins. Marlton Park is located at 123 Marlton Road, Pilesgrove, NJ 08098.

Walking Performances

Performance routines are welcomed along the route, but must keep moving in a forward direction, keeping an even space between units. Please report to Location 5 (Memorial Lake) for staging **unless** you are associated with a float/group.

Where to go at the End of Parade

When you reach the end of the parade route (Marlton Park) you have 2 options:

1. Turn into the park entrance: If you choose this option, you must stay till the end of the parade
2. Continue past the entrance: If you choose this option you must continue up Marlton Road and pull past the cones before stopping or off-loading passengers. This keeps the parade moving and keeps everyone safe

Volunteers

Please remember we are all volunteers, giving our time to this great tradition. Parade volunteers will be stationed at Marlton Park and the parade staging areas in and around South Main Street prior to the parade. All volunteers will be wearing Safety Vests.
